P.T.O./

I direct that my contribution be used to support the following Pillar of Investment at The Grey:  
(please tick)

- Discretion of Board of Trustees**
- Pillar 1 - Sport (BODY)**  
Representing Sport – Bursaries for talented boys, for professional coaching, tours and needed equipment. Maintaining existing and providing better sporting infrastructures to ensure all boys are able to compete and achieve at the highest levels.
- Pillar 2 - Academic (MIND)**  
Representing Academic – Scholarships and bursaries for boys in financial need. The provision of teacher incentives by way of staff housing and assisting educators to improve their qualifications to secure their future retention. Upgrading, to and providing modern classrooms equipped with advanced teaching aids.
- Pillar 3 – Cultural (SPIRIT)**  
Representing Cultural – Supporting Music, Arts, Design, Clubs and Societies together with bursaries and scholarships aligned to these interests. Promoting the expansion of these activities by providing conducive facilities for the expression of these talents and interests.
- Pillar 4 - Infrastructure & Maintenance**  
Government support is minimal in terms of capital requirements and operational maintenance needs for a campus that is 100 years old. Ideally also every opportunity must be explored to maximize effective energy and water use.
- Pillar 5 - Social Responsibility (OUTREACH)**  
Support must be given to community programmes and projects identified in township schools. Through support by the Foundation, Grey boys and Staff, others who are disadvantaged may receive a better educational experience aligned with that provided at Grey.
- I would prefer that my donation is recorded **Anonymously**. *Please note that any donor lists are by Class Year and Alphabetical – no amounts are reflected. Should you choose Anonymity, your name will not appear in Class lists.*
